Opportunities to keep up-to-date
 and get involved with our activities.

One of the museum's strengths is its membership.

Members' support strengthens the trustees' position in negotiations with grant-making bodies and other third parties.

Membership subscriptions provide an important source of funds for developing and conserving displays, financing exhibitions and acquisitions, and developing community outreach programmes. They are not used for day-to-day running costs.

The annual subscription is £15 for an individual, and £25 for two people at the same address.

Members joining after 31 December will be charged half of the annual subscription in the first year of membership, with renewal on 1 June.

Subscriptions are taken automatically by direct debit.

Members receive

- a regular e-newsletter, with news of developments, and priority notice of forthcoming events.
- Topsham Times, the annual journal of research articles, focusing on local history and heritage.

Members are invited to

- exclusive talks, visits, exhibition openings, and other events.
- the Annual General Meeting when the year is reviewed, future plans are revealed and the members elect the officers and trustees.

Members are part of a friendly and active museum community.
